Vi proponiamo di seguito una serie di schede ed attività di abbinamenti di stimoli non identici.

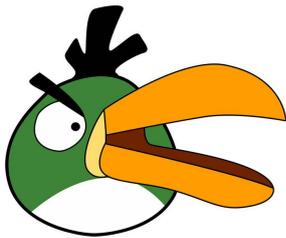

Il materiale è stato elaborato con lo scopo di includere una moltitudine e varietà di stimoli.

Sappiamo come sia importante includere nelle attività che proponiamo ai nostri studenti le preferenze dei bambini perciò nelle schede troverete personaggi di diversi cartoni animati recenti, grandi classici (come principesse e dinosauri), ma anche stimoli che fanno riferimento alle principali categorie in insegnamento come cibi, veicoli, animali, parti del corpo, strumenti musicali ecc.

Parte degli stimoli è in bianco e nero in modo da proporre una possibile attività di coloritura.
